

THE BEAGLE CLUB OF N.S.W. INC.

Affiliated with the Dogs NSW

PRESIDENT: Mrs. Barbara Taylor
HON. SECRETARY: Ms Sue Bownds

The Beagle Club of NSW (Australia) was formed in 1962 and our main objectives are the promotion and welfare of beagles. The Club is for anyone who has a love for this wonderful breed; of course it's great if you do already own a beagle but it isn't essential. We have activities for pet owners and exhibitors alike and we look forward to welcoming you as a member.

The Club holds walks for you and your beagle/s in and around Sydney. These take in all the sights, sounds, and smells that Sydney has to offer, and range from easy rambles around dog-friendly parks to slightly more demanding walks along bush tracks. Some walks are circular, others aim for a destination and then return along the same route. Terrific fun for you and your beagle/s and a great way to get fit!

For new owners, Breed Information Days are held at least once a year with talks on training, grooming and health care. These days are held in conjunction with a Snoopy Fun Day where beagles and their owners can let the hair (or fur!) down and enjoy some fun games.

The Club is affiliated with Dogs NSW (the Royal N.S.W. Canine Council Ltd.) and conducts two Specialist Beagle shows on Easter Saturday and Sunday at Castle Hill Showground. If you would like to see lots of beagles in one place then you are more than welcome to come along.

The cost of membership is \$25 p.a. (runs from 1st July to 30th June) which covers all family members living at the same address and includes our monthly magazine, called "Harking In" which is sent to all members each month giving all the latest information on Club activities and the world of beagles.

We are also happy to help if you are having problems with your beagle whether behavioural or health related. A number of our members have been associated with beagles for many years and in most cases they will be able to offer advice. If they are unable to help, then they may be able to put you in touch with someone who can.

The Club also has a Rescue and Rehoming Scheme where we assist beagle owners to find a home for beagles that they can no longer keep. This has proven to be very successful over the past few years that it has been available. If you are looking for an older beagle then the Club may have one available that will be just right for you.

A Membership Application Form is available on page 2. If you would like to become a member please fill out the form, sign it and send to the address printed at the bottom along with a cheque or Money Order for the appropriate amount. Please do not worry about the Proposed and Seconded spaces if you do not know a current member as these can be signed at the meeting when your membership application comes up for approval. All being well your membership will be approved at the next General Meeting. You will receive a Welcome email (if you have an email address) to let you know you are now a member and then you can take part in the Club's activities and will start receiving the "Harking In". You will also be given details on how to access the Members Area of the Club website where you can view and/or download the latest news from the Club.

Beagle Club of NSW meetings are held bi-monthly on the second Tuesday of the month in February, April, June, August, October and November at 7.30 p.m. in the Secretary's Room (near the Dog Rings), Castle Hill Showground, Carrington Road, Castle Hill. All members are actively encouraged to participate in the function and running of the Club, whether as part of the decision making process necessary in the Club's every day activity or as part of the specialist functions that are the responsibility of the Club's various sub-Committees.

We would love to welcome you to our Club and should you require any further information please do not hesitate to ring or write to our Secretary.
